## **Travel Insurance Policy**

#### Introduction

This is Your travel insurance policy. It contains details of cover, conditions and exclusions relating to each Insured Person and is the basis on which all claims will be settled. If You can not find Your circumstances within this policy document, they are not covered. Your travel insurance policy is validated by the issue of the validation certificate which must be attached to the policy.

In return for having accepted **Your** premium **We** will in the event of **Bodily Injury**, death, illness, disease, loss, theft, damage or other specified events happening within the **Period of Insurance** provide insurance in accordance with the operative sections of **Your** policy as referred to in **Your** validation certificate.

The validation certificate and any endorsements are all part of the policy. **Your** policy is evidence of the contract of insurance.

#### Important Information

This policy will NOT cover any claims caused by or relating to Coronavirus (meaning COVID-19 or severe acute respiratory syndrome coronavirus (SARS-COV-2) or any mutation or variation of these), including any claims relating to any fear or threat concerning Coronavirus, unless the claim arises under:

Section A: because You or a Close Relative or Travelling Companion are medically diagnosed with Coronavirus or personally instructed to isolate by an NHS service or medical professional; or

Section B: because **You** need medical treatment for Coronavirus while abroad.

The General Conditions and Exclusions, and Special Exclusions for Section A and B still apply.

No other cover applies in respect of claims caused by or relating to Coronavirus.

This means **We** may not pay all of **Your** claim or **Your** claim could be declined in full. If **We** apply these rules to **Your** claim, **We** will provide a full explanation so **You** know why. Examples of where **We** will apply this include if **You** travel to the a country outside of Europe when **Your** policy only covers Europe or where **You** do not tell **Us** about all of **Your** existing **Medical Conditions**.

#### **Policy Excess**

Under most sections of the policy, claims will be subject to an Excess. This means that **You** will be responsible for paying the first part of each claim, per section, for each separate incident, payable for each **Insured Person**, unless the additional premium has been paid to waive the **Excess** as shown in the validation certificate.

If this is not possible because the condition requires immediate emergency treatment **You** must contact the Emergency Assistance Service as soon as possible.

Private medical treatment is not covered unless authorised specifically by the Emergency Assistance Service.

#### Medical Assistance Abroad

To take advantage of this benefit someone must contact the Emergency Assistance Service for You as soon as possible.

#### **Reciprocal Health Agreements**

When traveling to a country in the European Union (EU) **You** should receive inpatient treatment in a public hospital.

You must therefore obtain a Global Health Insurance Card (GHIC) prior to travel by completing an application form via www.ghic.org.uk. This allows European citizens to benefit from the health agreements between countries in the EU. (This used to be known as EHIC / E111). A UK issued EHIC Card is also still valid and accepted until expiry and can be used in place of a GHIC Card.

If You are admitted to a public hospital, You should present Your GHIC / EHIC to the hospital; if You are unable to do so, You must co-operate with the medical assistance department in order to obtain one.

If Your GHIC / EHIC is presented to the treating doctor or hospital when receiving medical treatment within the European Union and the medical costs are reduced, the policy excess applicable under section B - Medical and other expenses will be waived.

Please note, from 1st January 2021 a UK issued EHIC or GHIC is no longer accepted in Norway, Iceland, Liechtenstein and Switzerland.

When **You** are travelling to Australia or New Zealand and **You** have to go to hospital, **You** must register for treatment under the national Medicare or equivalent scheme of those countries.
