TRAVEL INSURANCE POLICY

Introduction

This is **Your** travel insurance policy. It contains details of cover, conditions and exclusions relating to each **Insured Person** and is the basis on which all claims will be settled. If **You** can not find **Your** circumstances within this policy document, they are not covered. **Your** travel insurance policy is validated by the issue of the validation certificate which must be attached to the policy.

In return for having accepted **Your** premium **We** will in the event of **Bodily Injury**, death, illness, disease, loss, theft, damage or other specified events happening within the **Period of Insurance** provide insurance in accordance with the operative sections of **Your** policy as referred to in **Your** validation certificate.

The validation certificate and any endorsements are all part of the policy. **Your** policy is evidence of the contract of insurance.

Important Information

This policy will not cover any claim caused by or relating to medical pandemic or epidemic except where the claim arises under:

Section A: as a result of **You** or a **Close Relative** or **Travelling Companion** being medically diagnosed with Covid-19 or being compulsorily quarantined on the orders of **Your**/ their treating **Medical Practitioner**, due to Covid-19, suspected Covid-19 or exposure to someone who has been diagnosed with Covid-19; or

Section B: whilst **You** are outside of **Your Home Area** because **You** need medical treatment for Covid-19 or **You** are compulsorily quarantined on the orders of **Your** treating **Medical Practitioner** due to Covid-19, suspected Covid-19 or exposure to someone who has been diagnosed with Covid-19.

The General Conditions and Exclusions, and Special Exclusions for Section A and B still apply. No other cover applies in respect of claims caused by or relating to medical pandemic or epidemic.

Note: The coverages provided under Sections A & B for compulsory quarantine relate specifically to individual quarantine on the orders of a treating **Medical Practitioner** and not general or mass quarantine. There is no cover for compulsory quarantine on arrival abroad as a result of local or national government, local authority or health authority regulations or travel restrictions. As an example, where overseas visitors are generally required to quarantine on arrival abroad, this would not be covered, however, if a **Travelling Companion** tested positive for Covid-19 on arriving at **Your** destination and **You** were compulsorily quarantined by a treating **Medical Practitioner** as a direct result of this, cover would apply.

Automatic extension of cover

If **You** are unable to return **Home** before **Your** cover ends due to reasons outside **Your** control, **Your** insurance will remain in force without additional premium for:

- up to 14 days, if any vehicle **You** are travelling in breaks down, or your **Public Transport** carrier in which **You** are travelling as a ticket holding passenger is cancelled or delayed;
- up to 14 days, if due to the reasons set out in Section R or
- up to 30 days, if due to **Your** injury, illness or compulsory quarantine on the orders of **Your** treating **Medical Practitioner**. **We** may extend **Your** period of insurance for longer if considered medically necessary by **Zurich Assist** under Section B - Emergency Medical and other Expenses.

Making Your Declarations – Taking Reasonable Care

Please take care when providing information to **Us** – failing to take reasonable care could mean **You** are liable for all or a proportion of any claim costs. **Your** policy and any quotations given are based upon **Your** answers to **Our** questions. If **We** later discover this information was incorrect, it may impact any claim entitlement. In these circumstances, **We** apply the Consumer Insurance (Disclosure and Representations) Act 2012. This means **We** may not pay all of **Your** claim or **Your** claim could be declined in full. If **We** apply these rules to **Your** claim, **We** will provide a full explanation so **You** know why.

Policy Excess

Under most sections of the policy, claims will be subject to an **Excess**. This means that **You** will be responsible for paying the first part of each claim, per section, for each separate incident, payable for each **Insured Person**, unless the additional premium has been paid to waive the **Excess** as shown in the validation certificate.

Reciprocal Health Agreements

When traveling to a country in the European Union or Switzerland

You should receive inpatient treatment in a public hospital.

You must therefore obtain a Global Health Insurance Card (GHIC) prior to travel by completing an application form via www.ghic.org.uk. This allows European citizens to benefit from the health agreements between countries in the EU. (This used to be known as EHC / E111). A **UK** issued EHC Card is also still valid and accepted until expiry and can be used in place of a GHIC Card.

If **You** are admitted to a public hospital, **You** should present **Your** GHIC / EHC to the hospital; if **You** are unable to do so, **You** must co-operate with the medical assistance department in order to obtain one.

If **Your** GHIC / EHC is presented to the treating doctor or hospital when receiving medical treatment within the European Union or Switzerland and the medical costs are reduced, the policy **Excess** applicable under section B - Medical and other expenses will be waived.

Please note, from 1st January 2021 a **UK** issued EHC or GHIC is no longer accepted in Norway, Iceland and Liechtenstein.

When **You** are travelling to Australia or New Zealand and **You** have to go to hospital, **You** must register for treatment under the national Medicare or equivalent scheme of those countries.
