This information helps you understand how we are paid for the services we provide.

What is Remuneration?

Remuneration is a payment we receive from insurance companies, known as product producers, for the services we provide to both you and the insurer. These services include arranging your insurance policy, helping with ongoing policy administration, and supporting marketing and distribution activities.

Who Underwrites Your Policy?

For this policy, your insurance is underwritten by MAWDY which is the trading name of MAPFREASISTENCIA Compania Internacional De Seguros Y Reaseguros, S.A., and is authorised by Direccion General de Seguros y Fondos de Pensiones del Ministerio de Economia y Hacienda in Spain and is regulated by the Central Bank of Ireland for consumer protection rules.

How Are We Paid?

For arranging and servicing your policy, we are remunerated for our services by receiving a commission from the underwriter MAWDY. The commission is 33% (Thirty Three per cent) of the total premiums paid.

Profit Share

In some cases, we may receive an extra payment called a "profit share." If the insurer's business performs well after paying claims and covering expenses, we may be rewarded with an additional amount based on the overall financial results of the insurance policies we help distribute. This payment is separate from our standard commission and depends entirely on the insurer's performance.
